

MEXT Grant-in-Aid for Scientific Research on Innovative Areas

The 3rd International Symposium on Hybrid Catalysis for Enabling Molecular Synthesis on Demand

(兼)ハイブリッド触媒取りまとめ公開シンポジウム

Venue:

Sakata and Hirata Hall, Science South Building, Nagoya University

Invited Speakers:

Alexander Radosevich (MIT, USA)

Guosheng Liu (Shanghai Institute of Organic Chemistry, China)

Hirohisa Ohmiya (Kyoto University, Japan)

Keiji Maruoka (Kyoto University, Japan)

Makoto Ouchi (Kyoto University, Japan)

Masahiro Terada (Tohoku University, Japan)

Masayuki Inoue (The University of Tokyo, Japan)

Miho Hatanaka (Keio University, Japan)

Motomu Kanai (The University of Tokyo, Japan)

Ryan Gilmour (WWU Münster, Germany)

Shigeyuki Masaoka (Osaka University, Japan)

Stephen Buchwald (MIT, USA)

Takashi Ooi (Nagoya University, Japan)

Tetsuya Shishido (Tokyo Metropolitan University, Japan)

Thomas Maimone (U.C. Berkeley, USA)

Todd Hyster (Cornell University, USA)

Yasuhiro Yamashita (The University of Tokyo, Japan)

Zhaomin Hou (RIKEN, Japan)

Organizer: Steering Group for Hybrid Catalysis (新学術ハイブリッド触媒総括班)
